Schedule and Entry Form is attached to this Taieri Pet

Police News

Wow what a start to 2021.

The farmers wanted rain and man did we get rain, you could hear the water roaring down the Rock n Pillars.

Thank you to everyone that helped out over that wet weekend. A positive that I heard from this event was Farm Road is opening up a beautician business. Whilst trying to check the rain gauge someone decided that he wanted to see what all the fuss was about with these highly priced women mud facials. He decided that a mud facial was not enough, so he jumped in and started rolling around in the stuff. The mud quickly become like quicksand and he could not work out how to get out. Luckily for him he remembered the saying STOP, DROP and ROLL and finally rolled himself out.

There have been a few silly things going on around the community and if people know anything or have heard anything please get a hold of me. Someone was seen up the back of Mahinerangi in a pre 2000's grey station wagon trying to steal sheep. Also random people are turning up at addresses asking for people. Although this might be legit, we all know who lives in the area and if it seems out of place it more than likely is. Thank you to everyone for reporting these matters and obtaining car registrations and descriptions of people.

Someone has damaged several gates on a farm in Macraes and also knocked down several road signs between Macraes and Middlemarch. These signs assist people in getting to places safely and advise people of road warnings. By doing this you are actually putting people's lives at risks.

Detective James HALL is currently trialling out the new Police SKODA vehicle. He will be policing the road speed outside the café most (every) days.

We have had a few crashes in the area in the last couple of months. It's good to see at the major events like the contractors shout, New Years Eve parties that people left their cars in situ or arranged other modes of transport. However a few are still tempting fate. Ask yourself, could you do with losing your licence and not being able to drive? Like I have always said, I'm more than happy to give people a ride home.

We spent Christmas up in Tauranga and it seems the bad weather has just followed me everywhere. It was good to catch up with family and friends. My 11, 15, 17, 19 and 20 year old nieces introduced me to Tik Tok. After convincing the Aunties to vs the Uncles in a Tik Tok showdown - obviously the Uncles came out on top with the most views - it also highlighted the dangers of social media, as within 10 minutes of posting a video my 17 year old niece was PM (for anyone that is not on social media, PM does not stand for Prime Minister, it stands for private message) from a stranger saying she was beautiful and some other stuff that can't be repeated on here, asking to be friends and hang out. If you do have children who have cell phones/devices, just remember that they are very technologically savvy - but not always aware of the dangers of the internet and social media. Talk to them about being safe and what's acceptable and not acceptable.

The heated swimming pool has been fantastic, the only problem is now I have trouble getting the kids out of the pool. Thank you so much to the Swimming Pool committee.

The Food Fairies delivered hams and Christmas cakes to people in the community prior to Christmas, thank you to the lovely family who donated the hams. I thought I was going to be one of the lucky ones since I had to hold up the fort while my lovely wife shopped her way around the North Island for 3 weeks and I was working hard. By the looks of my bank accounts Christmas comes a couple of times a week for Kirsty with her purchases. These women are doing little purchases 2-3 times a week so we don't notice. Over the year that's way bigger than our one off purchases.

Unlawful hunting incidents are creeping in again. Due to people being on leave this seems to have increased over the last couple of months. If you see a vehicle out of place or are not used to seeing in that area just take a registration number please. Regarding firearms its good to see the cardinal rules of firearm safety have stuck, always point the firearm in a safe direction even if it is at the carpet.

Fire Brigade News

Since last writing for the pet the brigade has attended a number of incidents. Beginning on the 2nd December to a tree over power lines in Cardigan St. Then 2 days later we were called to a fire at Sutton which was well under control and no action was necessary.

We then attended a number of flooding events on the 2nd and 3rd of January. I have nothing but sympathy for those people with businesses, buildings or homes affected by the flooding. Unfortunately given the volume of water there is little we could do. Sandbagging seldom works well and pumping water elsewhere is simply futile. I am aware that there are a number of opinions of what could be done to mitigate future events, but my feeling is the flooding was caused by phenomenal rainfall on the Rock & Pillars. Our farm has been badly affected with a number of fences and crossings washed away - the worst in over 30 years.

The brigade is looking forward to the arrival of a new fire appliance, which is likely to happen within a couple of weeks. Our current truck was built in 1986 and has been in Middlemarch for about 20 years. It has been a very good truck except that it is very slow on hills. Many times while responding to a call out towards Deep Stream we manage 30kph or less going up Kennedys Hill. Our new (not brand new) truck has been in Cromwell and I've been told it could 'fly' over the Lindis Pass (not that I am encouraging drivers to attempt a take off in a fire truck). I am hoping we will have it fully operational by the A and P Show for anyone to have a look over.

Just a reminder to all members that training will resume next Wednesday 3rd of February. A number of things to catch up on so please make an effort to attend. Commencing 1900 hrs.

For all emergencies call 111

For any other fire brigade matter
call John Foote at 464 3781 or 027 444 3784

Middlemarch Postal Agency/Farmlands Alert Level 1 Information

We would like to thank everyone for adhering to the level guidelines to date.

Please be aware that under alert Level 1 there are no restrictions in store.

We look forward to being of service and thank you for your support.

Interim co-ordinators

Strath Taieri School in 2021

Kia Ora to our Taieri Community

I just wanted to share a few things coming up for our school.

The first is Positive Behaviour for Learning or PB4L, a Ministry of Education behaviour management initiative. We have signed up to make this programme part of how we manage behaviour at our school. PB4L, very simply, is about teaching positive behaviours as skills that can be improved. While there are still consequences for making poor choices, the focus is on catching the children doing the right thing and giving them attention for this. This will all align with our new school values which we will be sharing with our families soon.

The next is the thing we have signed up to is the Local Curriculum which is about finding ways to make learning engaging for the children by linking what they learn to the local community and environment. A big thank you is owed to Rachele at Lee Stream for leading the push to get funding for this from the Ministry of Education.

Our school gardens are looking great and we look forward to a harvest when the children return on Tuesday February 2nd. Big thank you to the Lion's Club who paid for the raised beds and tools.

We have a jam packed first term with swimming coaching, a swimming sports day, a whanau hui, camp Aoraki for our senior class, our biannual Marare sleep over and more!

Thanks to everyone who supports our school, making it possible for us to have such an action packed list of activities.

Happy New Year
Jim McArthur Principal

An editorial note:

Can you please ensure that all articles for the Taieri Pet are signed.

Thank you *Editorial & Production Team*

Social Tennis

Dust those cobwebs off your tennis racquet & come & have a game or two of social tennis

When: Thursdays

Time : 6pm

Cost : A gold coin donation

Balls provided, bring your own refreshments.

Enquiries Phone/message
Nikki Hall 027 472 2846

Special Notice from the 'Pet' Editorial and Production Team

We need to hear about your organisation/club events so that they can be shared with the wider Strath Taieri Community please.

Surgery News

While level 1 has meant the easing of almost all our day to day restrictions, some restrictions remain at the surgery and we would appreciate your support with these.

The door is unlocked but cars are to be used as waiting rooms if able.

No-one will be seen without an appointment, please phone first.

Only one person at a time in the waiting room. If you have respiratory symptoms stay at home and phone for advice.

In an emergency call 111

Please phone the surgery number after hours 464 3877 if you need advice/medical assistance.

Thanks Stephanie and Leeann
