

# Staff News

Evelyn is still our Monday lady while I go to town for supplies. Evies's cruises as and fits like a glove... don't ever change Evelyn. Jodi Ball has joined our team and is a dab hand at keeping my bookwork intact. I appreciate the great job Jodi does and just how valuable she is, thanks Jodi. Cindy Williams has come on board as our sandwich maker and will also be at your service from 7am each morning, she's doing a superb job! Amber has taken a backseat for now to concentrate on other things, but still makes herself available as backup if needed. She's never far from our thoughts when we need her input for new ideas. Grace McAtamney has also joined our ranks and keeps our derby ice cream supply stocked up among other things and is doing a fine job... nice work Grace. Without my wonderful staff, Maggies just simply wouldn't exist, well not in the capacity it has gotten to and for that I am very, very grateful!

**Well that's us for now, you'll see a few changes happening as we progress with the outdoor plans. Keep well and stay positive always... toodles for**

# MAGGIES

**BIGGEST LITTLE SHOP IN TOWN**

Hello everyone,

Thought it was time we put another flyer out to update you all on the progress. Not too much to report that's different, but more a reminder of what we have and general information about Maggies.

## **"NEW SHOP HOURS"**

**Monday to Saturday: 7am to 7pm**  
**Sunday: 9am to 6pm**

# Available at Maggie's...

## DVD HIRE

DVD's are displayed in a different format due to lack of space, but very much still available!

## Outram Butchery Meats

**Still our first and only supplier of top notch quality meat and service**

## **CONE ICE CREAMS, DERBY'S, NOVELTY ICE CREAMS & MILKSHAKES**

From customer feedback, it seems our thick-shakes are a major hit, so thank you for the compliments. We will do our very best to live up to your expectations... thank you!!!

## Hot Pies

Supplied by Mornington Bakery and Bakers Dozen... Sausage rolls - our most popular - mmmm yum!!! Also Mornington Bakery Mutton Pies, also very yummy!

## Groceries

A little bit of most things to keep you topped up till your next grocery shop. We'll never get it quite right, we do our best to accommodate.

I need to remind myself sometimes that we're a lolly shop with a few groceries, NOT a grocery shop with a few lollies. So forgive us when we can't supply an odd ball item in the grocery line. We tend to keep to mainstream items that we all on occasions run out of right in the middle of baking day, most frustrating!

## NEW ADDITION

"Made fresh each day"

### **Delicious sandwiches, filled rolls, scones and muffins**

We are trialling this new addition for one month to see what pans out. Due to the cost and time involved in making these items, we are required to hire another part time staff member. We will keep you posted when the months up as to whether we carrying on with these. It seems so far, so good!

## COURTYARD AREA

We're hoping to start this very soon and have it ready by Xmas. A BBQ will be built in for public use, complete with tables and umbrellas. Can't wait to see it finished. Our local Stone Mason Steven is doing the work, he comes highly recommended from a couple of local jobs he's completed, I feel we are in safe hands.
